EDUCATION

Universidad de Dagupan

Master in Information Technology

BS Information Technology

Dagupan City

2022-2024

2017 – 2021

WORK EXPERIENCE

Part-Time BSIT/MIT Professor, Universidad de Dagupan (Dagupan City, 2022–Present):

Taught and guided students in BSIT/MIT courses, developed and updated curriculum materials, and supported student learning and projects.

Part-Time MIS Staff, Universidad de Dagupan (Dagupan City, 2022–Present):

Managed the university's MIS infrastructure and applications—including an Ubuntu-hosted MSSQL server with automated six-hour cloud backups, JSP/Tomcat-based school systems, and Cloudflare DNS management for udd.edu.ph—while providing technical support and ensuring overall system reliability.

Senior Web Developer, ArzaTech Solutions and Games (Dagupan City, 2019–Present):

Spearheaded the end-to-end digital ecosystem for Universidad de Dagupan—serving 15,000+ active students—by developing and deploying:

- **Expend Diary:** → [App Store](#)
- **STEP LMS:** → udd.steps.com.ph
- **Official Website:** → udd.edu.ph
